

## Welcome to SIG Mechanical & Electrical

SIG Mechanical & Electrical provides customers with an unparalleled range of market-leading product, solution and service specialisms from across SIG plc.

Whether it's first fix, commercial drainage, passive fire protection, air handling & ductwork, pipe & ductwork insulation or offsite fabricated M&E solutions, we have the knowledge and the stock to help complete any job to the highest standard.

Our comprehensive product offer is underpinned by dedicated technical support, bespoke fabrication activities and offsite manufacturing capability; ranging from small-scale subassembly to structural modules, for all your project needs.

Our nationwide network of branches, coupled with a versatile fleet of over 500 vehicles, means we're able to source and deliver any product to any location across the UK, safely and on time.

- FIRST FIX MECHANICAL & ELECTRICAL
- COMMERCIAL DRAINAGE
- PASSIVE FIRE PROTECTION
- AIR HANDLING & DUCTWORK
- PIPE & DUCTWORK INSULATION
- OFFSITE FABRICATED M&E SOLUTIONS

**A** Single Blade Fire Dampers, Fire/Smoke Dampers

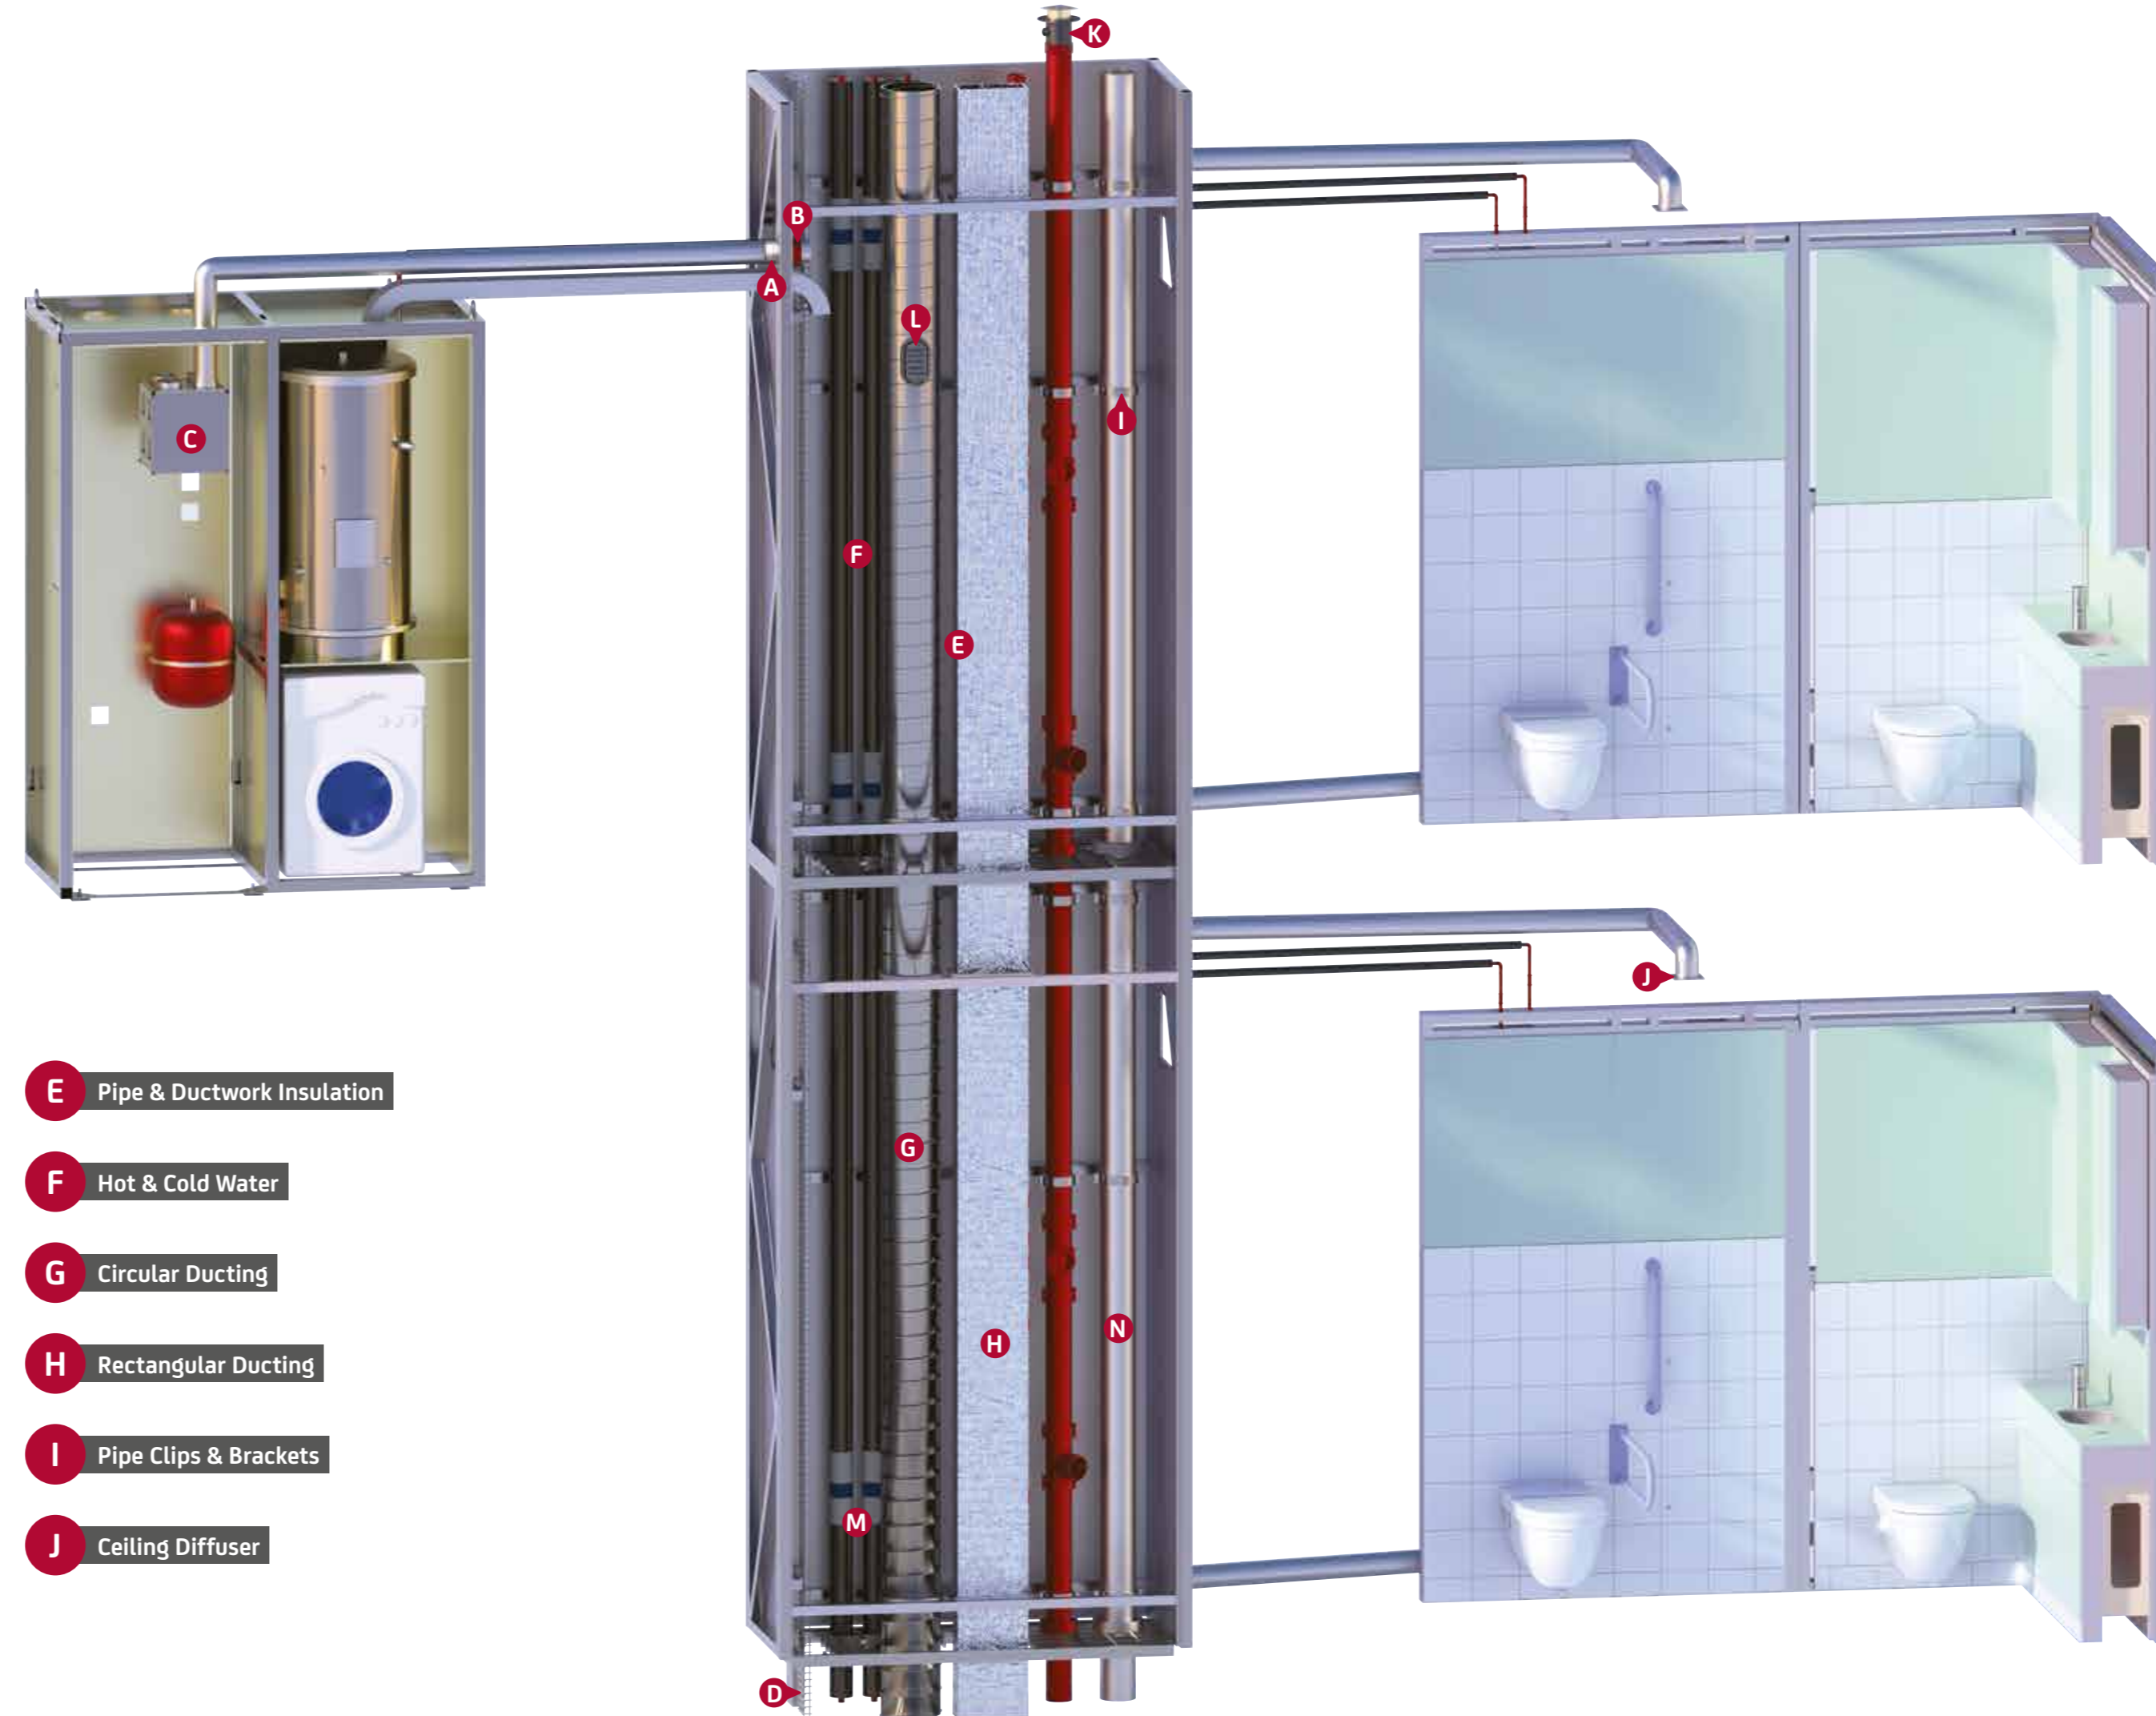

**B** Fire Protection Service Penetrations

**C** Heat Recovery Unit

**D** Cable Basket

**E** Pipe & Ductwork Insulation

**F** Hot & Cold Water

**G** Circular Ducting

**H** Rectangular Ducting

**I** Pipe Clips & Brackets

**J** Ceiling Diffuser

**K** Cast Iron (with Roof Outlets)

**L** Access Door

**M** ID Banding

**N** Soil & Waste

## First Fix Mechanical & Electrical

**Kem Edwards** are a leading supplier of strut & strut fixings, cable containment and general fixings for mechanical and electrical application.

From standard product through to bespoke fabrication, we work with our customer partners to provide solutions and stock a wide range of products that can be delivered to you, overnight or even on the same day, to keep your project moving.

## Commercial Drainage

**SIG Commercial Drainage** are the preferred supplier for the complete drainage solution to the mechanical & electrical contractor.

On all above ground drainage and all tools and components in between, we can offer you industry leading expertise on all market leading brands and products, in a market where specialist knowledge is essential to meet the rising standards in the industry.

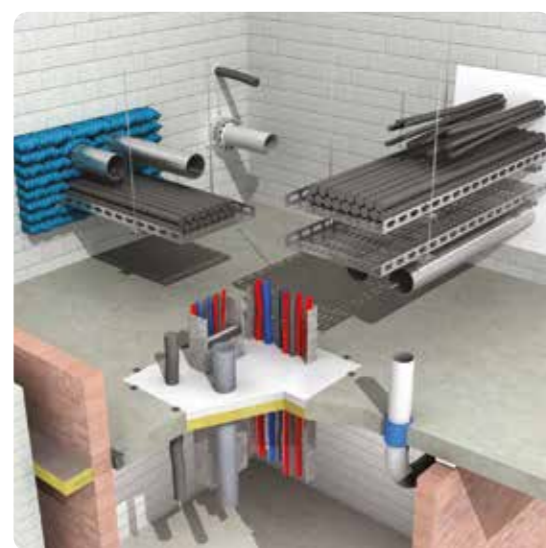

Our extensive product range and specialist fleet of vehicles ensures your project can be delivered on time and within budget – no matter how complex the challenge.

## Passive Fire Protection

The **SIG Fire Protection Specialists** are a nationwide team who are on hand to provide you with expert advice on any fire protection requirements you may have.

We supply a range of fire protection products covering the entire construction process, which when combined with our expertise can help you to manage the liability on your projects.

For advice and support, please contact your nearest stockist.

# Introduction to SIG Mechanical & Electrical

## Air Handling & Ductwork

**SK Sales** are leading nationwide suppliers of fans, air handling units, heat recovery units, ductwork, fittings and other products from leading manufacturers associated with the air management of buildings.

The technical expertise and after sales support from our specialists puts us in a unique position to assist customers at all stages of the procurement process.

## Technical Insulation

**SIG Technical Insulation** are a leading distributor in thermal insulation products, specialising in providing HVAC solutions for the mechanical & electrical contractor.

No matter what the scale of your project, our staff will work with you to provide the solutions to your specialist application problems. We guarantee a high level of impartial technical back up and after sales service across our nationwide branch network.

## Offsite Fabricated M&E Solutions

**Metechno** are a leading innovator in the design and fabrication of pre-engineered offsite solutions, including: pods, modules & innovative fit-outs for mechanical & electrical contractors. This includes prefabricated utility cupboards (PUCS) and dry-risers.

Innovation through products, processes, services, technologies and ideas is at the heart of Metechno and this separates us from the competition.

We pride ourselves on customer service and the ability to deliver projects on time, within budget and to the expected levels of quality. By working closely with our supply-chain, we continually maintain a focus on solution delivery and customer care.

Offering a leading range of specialist construction products and services to the mechanical & electrical industry
